

TRAVELING ABROAD?

Prevention knows no borders

- 
- Before your trip, find out more on:
viaggiasesicuri.it
and fitfortravel.nhs.uk
 - Contact the Travel Medicine clinic
in the different local health
companies (ASL) in Puglia
 - Ensure you receive the required
vaccinations and contemplate
getting the suggested ones as well
 - If you develop a fever, muscle or joint
pain upon returning from abroad,
it's important to contact your doctor
right away
